

Careers at DIMO

How far are you ready to push your **CREATIVITY?**

We believe in "Vision driven Passion" which we apply by enhancing employee skills to utilize innovative technology and deliver an exclusive experience to our customers. Through this Vision, DIMO provides a truly enjoyable work environment during a sustainable career that ensures empowerment and success.

We are now looking for a dynamic & self motivated young individual to fill the following vacancy.

Web Administrator

Responsibilities

The ideal candidate will be responsible for the visual appearance, usability, maintenance and promotion of DIMO's website to fit in with our objectives in a fast paced, results driven environment.

Profile

- ❖ Successful completion of GCE A/Level
- ❖ Preferably educated to Diploma level
- ❖ At least 2 years prior experience in a similar field will be an advantage
- ❖ Able to demonstrate a sound knowledge of Photoshop or Dreamweaver - a certificate of qualification would be an added advantage
- ❖ An understanding in HTML/CSS would be an added advantage
- ❖ Fluency in English is a must
- ❖ Excellent communication skills particularly in written English
- ❖ Ability to manage social media applications

The position carries an attractive remuneration package along with other fringe benefits of being part of the DIMO family.

Please send in your CV with the names and contact details of two non –related referees with the post applied for stated on the top left corner of the envelope within 10 days to reach the address given below.
