

## DEPARTMENT OF ECONOMICS Certificate Courses

### ENGLISH FOR ECONOMICS (EFE)

#### Introduction:

English for Economics (EFE) is a skill-based certificate course designed specifically for students in the Economics stream pursuing,

- Diploma
- First Degree Programmes
- Postgraduate Diploma
- Masters Programmes

Lessons are extracted from the texts related to Economics for students to study in the

main programmes. The programme (EFE) will be conducted by a well qualified teaching faculty.

#### Goal:

The main goal is to have students master the English language for higher studies. Therein, the focus will be on developing skills in reading, writing, listening and vocabulary required for effective communication.

#### Learning Outcomes:

At the end of the programme students will be able to,

- follow any Economics related study programme in English medium
- communicate fluently and confidently in English
- acquire necessary vocabulary for communicating effectively
- use skills to work in an English speaking environment.

#### Teaching Methods:

- Lectures
- Pair/Group work
- Role play
- Group discussions
- Presentations/Field visits

#### About the Course:

Teaching and learning will be facilitated with audio and video sessions. Special emphasis will be placed on speaking and writing skills.

Students will be provided with authentic material in the teaching and learning process.
