3. Vice-Chancellor's Review:

Vice-Chancellor's Report

It is with great pleasure and a sense of pride that I present the Annual Report for the year 2010. This is my third report since I assumed office as the Vice-Chancellor of the premier and the most prestigious metropolitan higher educational institution, the University of Colombo, Sri Lanka. There has been an undergraduate population of about 10,000 students and another 25,000 in the postgraduate and extension courses.

I am delighted to report that the University of Colombo was ranked as the No. 1 University in Sri Lanka and the 13th in South Asia in a web-ranking conducted in the year 2010 among the Universities and Colleges world over.

This was possible as a result of sound management decisions taken by the governing authority, the Council, the academic directions given by the highest academic authority, the Senate, the commitment and sheer hard work of the Academic, Academic Support, Administrative and other staff and the performance of the students both at undergraduate and postgraduate levels.

The University has to strive hard to improve its ranking further in South Asia and globally. In furtherance of achieving our objectives and targets, monitoring the implementation of policies and strategies, setting up a framework of regular performance appraisals and quality assurance exercises are important aspects.

A very conducive environment prevails in the University for teaching, learning, research and other related activities. About fourteen Memorandums of Understanding were signed with international universities and agencies for furthering academic ties and related collaborative programmes. A reasonable number of foreign students were affiliated to our University and our students had attachments in various foreign universities under credit transfer system. One hundred and thirty six (136) academic, academic support, technical staff and students received Presidential Research Awards.

In addition to academic activities, the students were heavily involved in co-curricular activities such as sports, debates, aesthetic and cultural events and community based extension programmes. The University of Colombo emerged as the over-all Champions for the third consecutive year in the Inter-University Sports Championship. Our students also participated in sports, debates etc. in foreign universities as well.

Lack of adequate land for expansion and insufficient financial provisions for much needed new buildings hampered the speedy development of the University.

I take this opportunity to thank the Council, Senate, Acting Registrar, Bursar, academic, Administrative and all other staff of the University. Special thanks are due to the undergraduate students for their cooperation with the management of the University.

ACADEMIC PERFORMANCE

The University of Colombo with a proud history of over 140 years continues in its endeavour to meet the challenges of maintaining its position as a “Metropolitan University, Modern and International in Outlook and Character”. The location of the University affords the student population all the advantages of a “Metropolitan University”, with easy access to international information/resource centres, libraries, theatres, sports complexes etc. Its central location within the City of Colombo provides easy access to a wide range of cultural, entertainment and business facilities. Backed by its long and proud history, together with a solid academic and administrative infrastructure which has stood the test of time, the University has progressed towards its goals in accordance with the Performance Improvement Strategic Plan by embracing modern and innovative approaches to teaching, research, and service to the community. The University of Colombo has a multi-cultural, multi-ethnic, multi- religious student and staff population, fostering social harmony, cultural diversity, equal opportunity and unity. The faculties, campus, institutes and school of the university functioned very smoothly in a

conducive environment for teaching, learning and research without any interruption during the year under review.

The University has been ranked as the No. 1 University in Sri Lanka and the 13th in South Asia in a World Wide Web ranking of the Universities and Colleges in 2010. The University strives very hard to improve its position further in South Asia and internationally.

2. Faculties, Campus, Centres and Units

2.1 FACULTY OF ARTS

Introduction

During the year 2010, Prof. Indralal De Silva functioned as the Dean of the Faculty of Arts and Mrs. I.K.K. Wijekoon continued as Assistant Registrar of the Faculty. The Faculty consists of nine (09) departments, comprising the departments of Demography, Economics, English, Geography, History, International Relations, Political Science and Public Policy, Sinhala and Sociology.

With the bifurcation of the Department of History & International Relations, the Department of International Relations, the newest department of the Faculty came into existence on 29th July 2010. The Department of International Relations of the University of Colombo is the only department in International Relations in the Sri Lankan University system.

Additionally, the Faculty has six (06) Units comprising the Pali and Buddhist Studies, the Arabic and Islamic Civilization Unit, the English Language Teaching Unit, the Computer Unit (comprising the Student Computer Unit and the Computer Teaching Unit), the Journalism Unit, and the Mathematics Unit.

The Vision & Mission of the Faculty

The vision of the Faculty coincides with that of the University: “Inspired by historic links to the first University College of the country and inherited intellectual traditions, the University of Colombo strives to be a world class institution promoting human development through synergizing knowledge, education, research and creativity, and entrepreneurship whilst upholding democratic values in a plural society.” The Faculty is committed to building strong alliances and partnerships with industry, academia and professional bodies in order to produce graduates who are academically and psychologically equipped to deal with the working environment.

The Mission of the Faculty is “to promote collectively scholarship, critical inquiry, competencies and skills in the Social Sciences and Humanities in keeping with the highest academic and ethical standards in teaching, research, training and evaluation. To provide students with not only specific skills and competencies but also a broad social and humanistic orientation so that they could fit into the changing world of work with a sense of social responsibility and moral commitment.”

2.1.1. Details of Resources & Students

Courses

Extension Courses and Community Service Delivery Programmes -2010.

A number of Extension Courses were offered by the Faculty of Arts during 2010, providing professional enhancement skills to the community at large and enabling the Faculty to remain the largest contributor to the University Development Fund.

The Department of Demography conducted a full day programme to celebrate the World Population Day on 13th July 2010 for the students who are studying Demography and Population Studies.

The Department of Economics offered two diploma courses: A Diploma in Tourism and Hotel Management, and a Diploma in Micro Finance.

The Department of English ran Extension Courses in English catering to about 3000 members of the general public, and undertook consultancies to various government and private institutions. It offered Certificate Courses in English for Careers (Part 1 & 2), and English for Law (Part 1 & 2). It also conducted Diploma courses in Advanced English for Administrative and Academic Purposes, and English for Teachers of English (DETE) and a Diploma in English for English Medium Instruction Teachers (DEEMIT).

The Department of Geography offered an extension course, titled Certificate of Disaster (Risk) Management in year 2010.

The Department of International Relations offered an extension course titled Certificate Course in International Relations (CCIR) and has already taken measures to begin another extension course, titled Certificate Course on Conflict, Peace, and Reconciliation (CPR) with effect from early January 2011.

The Department of Sociology conducted a Social Development programme for the officers (Jailors) who are attached to the Prison Department in the year 2010 and the Department has obtained Faculty approval for two certificate courses which are scheduled to commence in the year 2011.

The ELTU offered Certificate Courses in Business English (Preliminary and Intermediate Levels), and the unit re-launched its e-Diploma in Business English in M-learning platform.

The Journalism Unit conducted a Diploma in Journalism in 2010.

Undergraduate Programs

In the year 2010, the total undergraduate population in the Faculty numbered over 2335 students. The 2009 (A/L) batch entered the Faculty on 25th October 2010. The course unit system continued offering a range of courses to students including internship courses for credit.

The Department of Demography also offered courses for General and Special Degree students. The Department continued to offer Demography as a subject for the General Degree and as a second and third subject for other Special Degree students. The Department commenced the Internship Programme for the first batch of 04th Year special degree students with effect from November 2010.

The Department of Economics continued to conduct its lectures under the course unit system with Special degree students following the stream specialization process from the third year onwards. The department enrolled 70 Sinhala medium, 30 Tamil medium students and 31 English medium special students this year. As in the last year separate lectures were held for all subjects for all three mediums. Many students from other disciplines, particularly those following the Bachelor of Education programme followed courses, including the electives, conducted by the Department of Economics. During this year the major emphasis was on the organisation of South Asian Economic Student Meet (SAESM). The Department of Economics has been involved in this programme since 2004. Prof. Sirimal Abeyratne, the country coordinator of SAESM and Dr. N. Ravinthirakumaran, deputy coordinator organised the event and it was held from 29th November to 1st of December 2010.

The Department of English offered a range of course units for the General and Special Degrees in English Literature, English Language and ELT, and Cultural Studies. The Department has also increased the number of students taken in under the Additional Intake of New Entrants, and teachers of English who have completed their First Examination externally. Course units in English Language & ELT have especially helped these students to equip themselves as graduate teachers of English, trainers in various institutes, policy planners etc.

The Department of Geography also offered courses for General and Special Degree students. The mission of this department in the year 2010 was to continue the task of developing new areas of teaching in the undergraduate programmes

The Department of History also offered courses for General and Special Degree students. After the bifurcation now it continues as a separate Department.

The Department of International Relations offers General and Special Degree courses. It has become one of the most sought after first year subjects of undergraduates. Due to this, the Department has decided to take the most number of students, in relation to other Departments, for Special degree courses. Due to becoming a separate department, the Department of International Relations has revised its existing curricula to incorporate new trajectories and advances to its discipline and in order to ensure that the courses reflect the overall discipline of the discipline of International Relations.

The Department of Political Science & Public Policy offered courses for General & Special Degree students and Department of Sinhala also offered courses for General & Special Degree students. The Department of Sinhala organized the series of monthly seminars for encouraging students' research ability. The Art festival of "Makaranda" sponsored by the Peoples' Bank was helpful to develop the critical sense of the students. Two Chinese students attached to the Chinese International Broadcasting Service China, who were attached to the Department of Sinhala to learn Sinhala Language, completed their one year study period in 2010. Under the IRQUE Project books to the value of Rs. 600,000 has been granted to the Pali & Buddhist Studies Unit of the Department of Sinhala.

The Department of Sociology offered a Special Degree program in Sociology as well as Sociology as a subject for the General Degree. The Department obtained Faculty Board and Senate approval for two new study programs, Psychology as a subject for the General Degree Program with a view to establish a sub - department in Psychology in the future and a study stream in Social Work within the Sociology Special Degree Program. The former is yet to materialize due to the inability to obtain new positions. The latter has already commenced. Though facing many difficulties, the social work programme continues with regular input from colleagues from the University of Ljubljana, Slovenia.

The English Language Teaching Unit, with the vision of creating greater learning opportunities through virtual classrooms, re-launched an e- Diploma in Business English on 31st October 2010 on the M-learning platform. The Unit is confident that the experience gained through this initiative will improve the capacity of its staff to deliver programmes to the undergraduate population using modern on-line distance education technologies.

The mission of the Arabic & Islamic Civilization Unit (ICV Unit) in the year 2010 was to continue the task of developing new teaching in the undergraduate programs as well as organizing as a separate unit. The unit revised their curriculum and five new course units were introduced. ICV Unit conducted three major social and cultural events in year 2010. The main intention of conducting such events was to improve the ethnic harmony among the Faculty's students.

Mathematics is an interdisciplinary subject for various disciplines and the Mathematics Unit (MU) offered three course units for students of the FoA.

The Journalism Unit engaged in a curriculum review in the year 2010 in order to offer Special degree programs in the near future.

2.3 FACULTY OF GRADUATE STUDIES

The FGS of the University of Colombo is one of the leading postgraduate degree awarding institutions in Sri Lanka. With the introduction of liberalized policies in 1977, the market for higher education has changed significantly. In fact, a bachelor's degree is now considered a basic qualification for academic or employment prospects and postgraduate training has become an essential component of career development.

The FGS was established by the Faculty of Graduate Studies Ordinance No: 03 of 1987. It is headed by the Dean of the Faculty, and managed by the Board of Graduate Studies, accountable to the Senate and the Council of the University of Colombo. The Boards of studies constituted under the ordinance, the Board of Study for Development Studies and the Board of Study for Professional Studies function as the first layer of policy making and forward their recommendations to the Faculty Board for approval. The Faculty Board reviews these decisions and recommends them for Senate approval.

The composition of the Board of Graduate Studies during the year was as follows;

2.3.1 Details of Resources and Students

The introduction of online teaching in 2007 was a major step towards offering greater flexibility to students in terms of selection of courses, their duration, new methods of teaching, learning and evaluation. The other important development was the introduction of highly structured M Phil/ Ph D programme in 2010 for the benefit of students interested in multi-disciplinary studies.

The FGS conducted two (02) Executive Diplomas and eleven (11) Postgraduate Diploma programmes and twelve (12) Masters programmes during the year under review. The Faculty continued its MPhil in Clinical Psychology programme and restructured its MPhil/ PhD degree programme including minor amendments to its by-laws. Due to the increased demand for admission to the Postgraduate Diploma in Business Management (PgD. BM), Masters in Business Studies (MBS) and Postgraduate Diploma in Development Studies (PgD.DS) programmes, the Faculty took steps to enroll two batches of students (weekdays and week –ends) for each of these programmes during the year.

Figure 1: FGS - Student Enrollment 2010

The FGS has already taken initiatives to introduce several new programmes in 2010 and concept papers are being discussed at BSDS and BPS level. Approval of the Senate and the Council has already been obtained for the Postgraduate Diplomas leading to Masters in Public Administration and Masters in Public Management. This proposal is expected to go before University Grants Commission for its approval. Quality enhancement is one of the key priorities of the Faculty and three (03) strategies have been adopted to realize this objective

- curriculum development by revising and updating existing study programmes,
- provide knowledge inputs to students through well qualified staff drawn from the university and industry
- external evaluation. These strategies also strengthen the linkage between university and industry. In 2010, the FGS managed to maintain its student enrolment levels inspite of the economic downturn both at global and domestic level

2.5. FACULTY OF MANAGEMENT & FINANCE

Introduction

Drawing upon rich traditions of the University of Colombo, the Faculty of Management and Finance is committed to pursue excellence in research, teaching, and community services, while making all efforts to be the centre of excellence for management and finance education in Sri Lanka. Since its inception in 1994, the Faculty of Management and Finance has grown in its capacity in terms of the academic departments, degree programs offered, strength of academic staff and the size of student intake for the past 16 years. The gradually expanding industry requirements for managerial talents have been the major impetus behind the growth of operations of the faculty at both undergraduate and postgraduate levels. The increasing demand for the Bachelor of Business Administration (BBA) program offered by the Faculty could be witnessed by the annually increasing Z-score requirement to secure a place in this program. In recent years, the number of applications received for Master of Business Administration (MBA) program has also been increased reflecting an ever growing demand for the postgraduate studies in business at the University of Colombo.

In responding to the increasing demand, the faculty increased its new student intake for undergraduate studies to 426 in the academic year under review in spite of numerous resource constraints that includes, among others, limited building space and staff shortage.

In response to the fast changing character of the world of business, the faculty introduced a new curriculum for BBA program a year ago featuring a blend of knowledge and skill orientation with a precisely defined provision for internship training for final year undergraduates. During the year under consideration, the first review of the new curriculum has taken place as a result of which some early amendments were introduced to the new curriculum.

On postgraduate front, Postgraduate and Mid-career Development Unit of the Faculty of Management and Finance conducts four MBA programs catering to more than 300 graduate students at any given point in time. Steps have been taken to appoint a committee to revise the MBA curriculum with the aim of aligning the programme to the changing requirements in the world of work and also to change the programme so that it would appeal to international students as well.

In recent times, the Faculty of Management and Finance has ventured into conducting tailor-made training and consultancy programs for the corporate sector. The management development program conducted for junior managers of People's Bank commenced during the last year progressed successfully. In 2010, Faculty has started another consultancy project for the Colombo Dockyard Limited. This new initiative helps the faculty to expand its boundaries while creating a sound platform for its members to network with the corporate world.

Meetings

The Faculty Board met ten (10) times during the year under review. In addition to Departmental meetings, joint-departmental staff meetings were held regularly in order to discuss some routine matters. The Curriculum Development Committee, Faculty Examinations Committee, Higher Degrees Committee had their regular meetings.

International Research Conference & other International Affairs

During the year under consideration Faculty was active in the international front as well. The Faculty organized its 5th International Research Conference on Management and Finance on 10-12-2010 successfully. The Conference which was co-chaired by Dr. GATR Perera and Mr. JASC Jayasinghe created a unique platform for local authors to meet with their international counterparts to deliberate and debate their research papers in mutually beneficial atmosphere.

During the year under consideration, Faculty was able to develop an MOU with the Bodo University, Norway for a broad-based academic partnership. Moreover, Faculty's

application for the membership of the Alliance of Business Education and Scholarship, a 21st Century Organization (ABEST21), an accreditation body of management schools (and faculties) based in Tokyo with the help of Japanese Ministry of Education, has been successful on the recommendation of the steering committee of the ABEST21.

Capital Market Information Centre (CMIC)

Signifying its collaboration with the industry and its commitment for improving necessary infrastructure for research, the Faculty inaugurated a Capital Market Information Centre (CMIC) in collaboration with the Securities and Exchange Commission of Sri Lanka in March 2010. This special centre has provided online access for vast range of important data bases maintained by or connected with the Securities and Exchange Commission, Sri Lanka. Currently services provided by this centre have been heavily used by both students and the staff for their research and teaching/learning activities. Faculty is extremely grateful to the Securities and Exchange Commission of Sri Lanka for the assistance extended in this regard.

2.6. FACULTY OF MEDICINE

During the academic year 2010 the Faculty of Medicine continued under the deanship of Professor Harsha R Seneviratne. The Faculty of Medicine was planning to fall in line with the common calendar for all Universities as recommended by the UGC. The programme of studies for the 2010 intake commenced on 30th July 2010 for the MBBS students. However the programme of studies for the B.Sc Physiotherapy students was delayed until March 2011 due to the lack of space, shortage of staff and as the final year students complete their studies in March 2011.

About 200 medical students from the 2009 AL batch began their undergraduate programmes on 31st July 2010. The B.Sc. course in Pharmacy is being conducted jointly with the Faculty of Science and students from the 2008/2009 A/L batch began their undergraduate studies in the Faculty. This was the 12th batch undertaking this degree course.

This includes ten(10) Bhutan medical undergraduates who joined under the MOU signed between the Faculty of Medicine and the Royal Government of Bhutan.

The postgraduate programmes conducted by the Faculty comprise course based extension courses and research degree courses. Three students completed their PhDs during the year. During the year, substantial contributions were made by the permanent academic staff in the Faculty, by providing their services as members of the Boards of Study, conducting lectures, and being trainers (in clinical disciplines), research supervisors, examiners, etc.

With a student population of over one thousand and fifty one (1051), and academic and non-academic staff amounting to about four hundred and fifty(450), space is an acute problem in the Faculty of Medicine. Due to budgetary constraints, expansion of activities has been curtailed. Introduction of a new paramedical programme has to be delayed due to the same problem while B.Sc. Physiotherapy programme is conducted in a rented house. Insufficient canteen area and study area for students are critical problems that have to be rectified in the near future. The Faculty also does not have a proper library. The lack of lecture/tutorial rooms and a proper Computer Centre have already affected both students and staff alike. The problem of providing overseas postgraduate study opportunities for the academic staff have also become a major issue that needs redressing. The lack of a proper examination hall to house at least four hundred students is another major problem faced by the Faculty. However construction of a new study area has commenced at a cost of Rs. 5 million which is borne by the generated fund of the Faculty.

The Virtual Learning Centre of the University of Colombo, Faculty of Medicine (UFM) currently operates under the supervision of Head of Virtual Learning Centre (VLC) Dr. Senaka Rajapakse, Senior Lecturer, Department of Clinical Medicine. The VLC can accommodate 69 computers and has a central server. A part of this lab is shared at times by the language centre for conducting courses in languages.

The Faculty completed a major improvement to the IT(information technology) network of the Faculty at a cost of Rupees eight million. The Document Management System(DMS) software is being introduced to facilitate the hall reservation, circulation of documents and communicating among staff and students electronically. It is also being planned to provide all the staff and student community with email accounts. The IT Committee is in the process of developing the Learning Management System of the Faculty using the MOODLE of the Faculty.

6. The University Psychiatry Unit was awarded National Hospital of Sri Lanka Health Excellence Award (Gold) for 2007.
7. The committee comprising the Dean, Dr. Indika Karunathilake, Dr. Gominda Ponnampuruma, Prof. Nandadewa Samarasekara, Prof. Rohini Seveviratne, Dr. D.J. Anthony and Dr. T Chang was appointed to meet a team of academics and administration from Lumbini Medical College to develop the Lumbini Medical College in Nepal as per their request.
8. The Best Poster Award at the 6th Congress of Asian Society for Paediatric Research held in Taipei, Taiwan in April 2010 has been won by Dr. Shalini Sri Ranganathan, Dr. R Balasubramanian and Dr. B V S H Beneragama.
9. The ‘Wassana Diyawara’ organized by the Buddhist Brotherhood of the Faculty of Medicine, Colombo was successfully held in the village Dunumadalawa on 25th April 2010.
10. The John J. Sciarra IJGO Prize Paper Award, presented by International Journal of Gynecology & Obstetrics to the Best Clinical Research Article from a Low/Middle-Income Country was awarded to Dr. C. Arambepola and Dr. Devlieger for their paper on Comparison of Transabdominal Versus Transvaginal Ultrasound to measure thickness of the lower uterine segment at term published in 2009

2.6.7. Details of New Course Started

The Human Genetics Unit of the Faculty introduced three separate M.Sc programmes in fields of Genetics Diagnostics, Clinical Genetics and Regenerative Medicine.

Meetings and Committees

The Faculty Board had fourteen (14) meetings during the year under review. The Curriculum Development & Evaluation Committee, Research & Higher Degrees Committee, Ethics Review Committee and Admissions Committee have had regular

meetings. Minutes of the meetings of these Committees were presented at the Faculty Board and recommendations were made to the Senate.

2.7. FACULTY OF SCIENCE

Introduction

Prof. T. R. Ariyaratne continued to serve as the Dean of the Faculty till 8th January 2011. The faculty was able to proceed with its academic activities successfully.

During the year, two new Enhancement Courses were introduced: EC-2001 Photography and EC 1004 – Information Skills Development. A new Special Degree programme in Environment Science was introduced by the department of Zoology.

Computer laboratories of Industrial Statistics and Mathematical Finance were declared open on 7th January 2010. Dr. TLS Tirimanne, Department of Plant Sciences was appointed as new Director/Undergraduate Studies. Semester I Examinations commenced on 18th January. The Annual Research Symposium was held on 12th and 13th May.

The following workshops were held:

- Radiation Protection in Medical Radiography conducted by the Nuclear Science Dept.
- CELESTRA 2010 – conducted by the Mathematical & Astronomical Society
- Disaster Risk Reduction and Introduction to First Aid by the Department of Zoology

The new batch of 2009/10 intake was admitted in July 2010 and the academic year began on 30th August 2010.

The Faculty accepted the request made by the UGC to establish a College in Buttala.

A new Diploma programme in Corporate Finance was introduced by the Department of Mathematics.

Courses

Undergraduate Programs

New batch of students from the 2009 G.C.E. (A/L) was admitted to the Faculty on 30.08.2010. The number of undergraduate students admitted to Physical Science and Biological Science streams were 240 and 122 respectively. In addition 48 and 65 students were admitted as two direct intakes to Molecular Biology and Biochemistry and Industrial Statistics & Mathematical Finance courses respectively. The Faculty conducted the academic programmes successfully and on schedule.

2.7.4. Details of Programmes, Seminars and Workshops

Several Academic Staff Members participated in National Workshops and Training Programs conducted by the University and various local Institutes such as Sri Lanka Association for Advancement of Science, HETC project, National Botanical Gardens, Institute of Fundamental Studies(IFS), Institute of Chemistry, National Institute of Education, National Authority for the Implementation of the Chemical Weapons Convention in Sri Lanka, FCCISL, Sri Lanka Olympiad Competition.

Prof. Sunil Premawansa conducted lectures for MLT Officers at the Medical Research Institute organized by the Allergy and Immunology Society. Ms. M.D.S. Pushparani completed research work at the University of Nagoya in Japan. Prof. Mahawatte and Ms K. D. Perera completed the Intensive Course of Microsoft Excel and MS Access conducted by the Staff Development Centre of the University.

Contribution to National Development through National/International Agencies and

Net working with private sector

The following academic staff members contributed for national development activities by working at various places such as National Institute of Education, Department of Examinations, Asian University Network for Environment and Disaster Management, Ministry of Environment and Natural Resources, National Science Foundation, National Committee on Plant Breeding of Sri Lanka, Council for Agricultural Research Policy, Link Herbal Products (Pvt) Ltd.,

2.7.5. Details of Projects

Infrastructure and resources, buildings and donations:

The construction of the new canteen building has not yet been started although it was promised to commence the work in early 2010.

The wiring and networking facilities have to be provided to the top floor of the three storied Mathematics/Statistics building.

Reading area for students has been constructed

Constraints

Inadequate Canteen facilities are one of the major problems that have to be rectified as early as possible. Library facilities have also to be improved.

Examination hall to accommodate up to 750 students is also a necessity.

2.8. SRI PALEE CAMPUS

Introduction

The Sri Palee Campus which was established in 1996 as the Western Campus subsequently changed its name as the “Sri Palee Campus” and affiliated to the University of Colombo in the year 1998 in terms of Section 27 (1) of the Universities Act No. 16 of 1978.

The Campus continued to function with two Departments namely, the Department of Mass Media and the Department of Performing Arts during the year 2010. Inadequate senior academic staff hindered the process of elevating these two Departments to the status of Faculties. Language Division and Computer Studies Division continued to function as two Units during the year under review and it is envisaged that in future, these two Units would be developed to establish as separate Departments.

2.8.2. Details of Academic and Non Academic Staff

Dr. Tudor Weerasinghe continued his function as the Rector of the Campus in year 2010. All academic and administrative decisions were taken in consultation with the Campus Board and the composition of the Campus Board during the year was as follows:

The Rector (Chairman) -Dr. L Tudor Weerasinghe

Members nominated by the Council -

Mr. Rohana Weerasinghe
Mr. Janadasa Peiris

Members nominated by the Senate -

Ven. Agalakada Sirisumana Thero

Heads of Departments -

1. Dr. R C K Hettiarachchi-Head / Department of Mass Media
2. Mr. J M R C Bandara - Head/ Department of Performing Arts

Staff Information

While Dr. Tudor Weerasinghe was appointed as the Rector of the Campus in year 2009, Mrs. A. H. Liyanage continued to function as the Senior Assistant Registrar. During the year under review, Dr. R Hettiarachchi was appointed as the Head of the Department of Mass Media and Mr. J.M.R.C.Bandara continued to function as the Head of the Department of Performing Arts.

The total employee strength during the year 2010 is 85. This total consists of the Rector, 03 Administrative, 14 Academics, 03 Academic Support, 04 Technical and 60 Non-Academic Staff.

Academic Staff at the Sri Palee Campus

The syllabi of the Undergraduate courses are covering a vast area of the fields of Performing Arts and Mass Media and the number of Lecturers with multi disciplinary areas in the Campus is not sufficient for teaching and examination matters. Therefore, the Campus has obtained expertise service of the visiting staff. In general around 75 numbers of visiting staff are attached to the campus per semester. The annual intake for each of these Degree courses is 150 for the year 2010.

2.8.4. COLOMBO UNIVERSITY COMMUNITY EXTENSION CENTRE (CUCEC)

The Colombo University Community Extension Centre (CUCEC) is Sri Lanka's first Multidisciplinary Centre in a university devoted to community development activities. The centre undertakes challenging and innovative research and offers relevant training on key social and economic development issues and also functions as a centre for information exchange, dissemination and links to the national as well as regional level policy making process and community level development activities.

The centre provides for the first time an organized framework to mobilize the diverse intellectual resources of the country's metropolitan university in order to create a stimulating environment for the professionals to collaborate and participate in training, and action-oriented research in community development activities.

The CUCEC has the capacity of obtaining the expertise of the other universities in Sri Lanka as there have been strong links established with projects of the CUCEC.

2.10 STAFF DEVELOPMENT CENTRE (SDC)

Introduction

The Staff Development Centre (SDC) completed its thirteenth year since inception. The SDC continued its input to develop higher education in a diversity of ways that benefited not only the University of Colombo but also other universities / institutes in Sri Lanka. The activities targeted academic, administrative, clerical and staff at minor grades.

During the year under review SDC trained 581 persons, through training activities that comprised;

- developing and embedding student-centered teaching and learning methodologies, professional development including the course to meet the mandatory probationary requirement for lecturers
- developing skills of support staff
- enhancing preparedness of academic, administrative and non-academic staff in university procedures and regulations
- developing attitudinal perspectives and study skills of staff and students

SDC continued to maintain the primary training emphasis for which it was first established *i.e.* academic staff training for meeting the probationary requirements of lecturers and improving teaching. With this in view, the SDC conducted CTHE (Certificate in Teaching in Higher Education). The SDC assisted other Staff Development Centres, through training of their Resource Persons and advising the formulation of their work programmes.

The fifth External Review was carried out by Professor Kristine Mason O'Connor on activities covering the period from 2008 to 2010.

The Swedish SIDA-SAREC grant on staff development given to SDC ended this year completing a twelve year period of support to the higher education system of Sri Lanka in general and to the University of Colombo in particular.

2.10.1 Details of Resources & Students

Courses

The 13th Certificate in Teaching in Higher Education (CTHE) course was run by the SDC for University staff, and was followed by 56 academics from several universities. Of this number, a few did not qualify to proceed due to insufficient attendance, resulting mainly from going overseas for postgraduate studies. Of the balance and together with one participant from the previous batch, 51 passed, which amounted to a 89% pass rate. The passes for the SEDA,UK certificate amounted to 27, so that 52% were accredited at international-level. The 14th CTHE course commenced in August 2010 for 67 lecturers from several universities in Sri Lanka. Both these courses were coordinated and conducted by Ms Weerakoon.

2.10.2. Details of Academic and Non academic Staff

Dr P. Kailasapathy served as Acting Director from 16th November 2009 until her resignation on 14th March 2010. From then onwards, Ms Y.M.S.K. Weerakoon functioned as the Acting Director. Staff comprised, Ms Y.M.S.K. Weerakoon as Senior Lecturer, Ms P.D. Dayananda as the Scientific Assistant, Ms G.I. Gunadasa as Computer Applications Assistant and Mr B.W.J.M. Perera as the Labourer. One new member was recruited to the SDC staff during the year under review. Ms. S.W.D.A Sirimanna assumed duties as a Computer Applications Assistant on 03.02.2010 to fill the vacancy of Mrs M Wijewardena.

2.10.4 Details of Programme, Seminars & Workshops:

Several workshops were held at SDC that were conducted by local and overseas resource persons. The range of topics that were covered for enhancing teaching-related functions included improving teaching to make our undergraduates more effective, Strategies and methods for advancing staff development in universities, Supporting the student journey: Developing students and teachers, Using assessment to promote student learning and skill

development, Creative management and decision making for learning and teaching, Managing change to ensure sustainability of best practices in higher education. Overseas Resource Persons who assisted in the conduct of workshops included Professor Liz Beaty, Professor Kristine Mason O'Connor, Dr SUK Ekaratne and Ms Anji Rae.

For increasing the preparedness of academic, administrative and support staff to carry out their duties and tasks effectively, the SDC conducted workshops and courses such as on Computer skills, English Proficiency, Effective Financial Procedures in the University. Sessions on Orientation and driving-etiquette were conducted for university drivers.

A conference on educational development on the theme "Challenges in sustaining best practices in higher education" was held jointly with the Sri Lanka Association for Improving Higher Education Effectiveness (SLAIHEE), which was attended by 104 academics from several national universities.

2.10.5 Any Other Related Details

Performance Review of the SDC for the period covering 2008 to 2010 and was conducted by Professor Kristine Mason O'Connor. This Review Report stated that "the SDC clearly meets and, indeed, exceeds its original mandate. The SDC is to be warmly congratulated on its success in continuing to advance staff and educational development individually, institutionally, nationally and internationally."

6th SDC-SLAIHEE joint Conference on the theme "Challenges in sustaining best practices in Higher Education" was held on 5th April 2010

Contribution to National Development through National/ International Agencies and Networking with Private Sector

SDC continued working with staff and educational development organizations in other countries such as with the membership of the Staff and Educational Development Association (SEDA, UK), Professional and Organizational Development (POD) Network USA, International Society for Scholarship of Teaching and Learning (ISSoTL). Two of the courses offered by SDC (CTHE and ASTHE) are accredited by SEDA, UK. Professor Liz Beaty who is the Pro Vice Chancellor Learning, Teaching and Student Experience at the University of Cumbria, UK examined and reviewed the courses.

Professor SUK Ekaratne, founding Director of SDC, was awarded the prestigious Spirit of International Consortium for Educational Development (ICED) Award for his outstanding leadership in academic development. The Director SDC is a member of the UGC Standing Committee on Staff Development.

Ms Weerakoon continued to work as an international referee for the Professional and Organizational Development (POD) Network, USA and was elected as the President Elect of the Sri Lanka Association for Improving Higher Education Effectiveness (SLAIHEE).

IT and English Language Skills

SDC conducted English proficiency courses, targeting different levels of proficiency, for the university staff. SDC also funded training of university staff on computer skills, ranging from computer literacy to advanced levels such as database management, utilising the funding given by the SIDA-SAREC grant.

Community Services

SDC continued its community service by opening up of training opportunities to those outside the University of Colombo, including from the Ministry of Defence, Ministry of Fisheries, Ministry of Health, and Ministry of Social Services.

Student Welfare

The SDC contributes to student welfare through facilitating student-centred learning, enhancement of student learning experience, development of graduate skills through SDC courses and workshops aimed at enhancing the quality of learning of students.

2.11 CENTRE FOR THE STUDY OF HUMAN RIGHTS (CSHR)

Vision

CSHR's overall vision is 'to create a nation with a rights consciousness in which the dignity and rights of all people are respected'.

Mission

CSHR's mission is 'to be a centre of excellence for human rights education and research using a multidisciplinary approach.'

Profile

The CSHR is a service oriented, non-profit making institution established in 1991, as a result of the violence in the late 1980s. Coming under the purview of the Faculty of Law, University of Colombo, the aim of the Centre was to provide the public with Human Rights awareness and remedies to the violation of rights.

The Centre has identified the need for awareness, education and training in the field of Human Rights, as well as for ongoing research in this area and is well recognized as an important institution in the arena of human rights in the country as well as internationally.

The activities of the CSHR therefore, have been focused on reaching many segments of people within Sri Lanka in informing them of their rights and responsibilities. These groups include secondary school students, the rural community, the military, police and prison officers and inmates, the university community, differently abled persons and media personnel.

In the area of Human Rights Education, the CSHR focused on making Human Rights courses available to the wider community to impart much needed knowledge on aspects of Human Rights.

The second most important area of focus identified in the CSHR Strategic Plan is Human Rights Research. The CSHR focuses on current as well as practical research in terms of responding to issues faced in society at present.

Capacity Building is the third area of focus that enables the CSHR to continue empowerment of the different groups that it works with among the State sector and civil society.

Knowledge Services is the fourth area that CSHR focuses on. Towards this end, the Centre continues to provide information through its Resource Centre to the university community and the general public, as well as through the electronic media.

Through its final area of focus, which is Institutional Development, the CSHR aims at delivering high quality programmes to all its target groups. In achieving this, the CSHR hopes to ensure that its staff remains with the Centre.

A new Public Health Inspector was appointed on 01.10.2010

Services

- The Health Centre doctors besides providing medical consultation function as counsellors as well.
- All new entrants are sent a medical questionnaire to be filled by their practitioners, in order to know their medical history.
- All Medical students undergo a comprehensive Medical checkup by UMO.
- All new recruits to University service (University of Colombo / UGC / PGIM / IIM / Horana Sreepali) are examined by University Medical officer and relevant investigations done.
- Similarly all employees of these institutions are also examined for extension of service.
- Medical and fitness screening of students for special events of sports such as weight lifting, rowing, wrestling, Road races etc.
- The staff at UGC / PGIM / IIM are provided with health care facilities.

Public Health Service.

The spraying of insecticide to potential mosquito breeding places as a routine public health services activity, was carried out. The problems of frequent blocks in the sewage system are resolved by outsourcing the services to private contractors and the municipality when health centre sanitary labourers were unable to do this job.

Janitorial services, garbage clearing, and related activities were monitored by the Health Centre.

A special program was carried out covering hostels, canteens and all University buildings during dengue epidemic in May – August-2010.

Service Rendered

A total number of eight thousand and ninety three (8093) students and staff members reported at the Health Centre for treatment. Dressings were done to three thousand and four hundred and sixty (3460) patients. Medical examinations were done for seventy four (74) new recruits and eighty eight (88) employees who requested extension of services. Further two hundred and forty eight (248) patients were referred to the National Hospital of Sri Lanka for further treatment.

While vaccinations were monitored on two hundred and thirty eight (238) patients, about four hundred (400) blood, urine and other routine tests were carried out during the year under review. On four hundred (400) instances first aid medicines were supplied. In the Dental Unit, one hundred and eighty five (185) patients received treatments. Four hundred and fourteen (414) patients attended consultations while fillings were done for one hundred and ninety nine (199) patients, tooth extractions were done on fifty one (51) patients

2.15 THE LIBRARY

Introduction:

All libraries functioned smoothly during the period under review. However the absence of allocation of funds for books and periodicals hampered the development and services provided by the library. The Library continued the academic skill development programme for undergraduates which resulted in the development of faculty library cooperation.

2.15.1 Details of Resources & Students:

Absence of the allocation for books and periodicals created enormous difficulties. This affected the renewal of subscription which is done normally at the beginning of the year to ensure continuous supply of all issues. However, the university paid for 56 titles of journals worth Rs. 2.4 million from time to time during the year. The pathetic situation faced by the library is seen from the decrease in the number of periodicals subscribed over the last three years. Subscription for periodicals was Rs.138 Mn in 2008, Rs.131 Mn in 2009 and Rs. 56 Mn in the 2010. It is urged that the university should explain this situation to the UGC and the Treasury and try to get the allocation for books and periodicals in January each year, as normal periodical subscription begins in January each year.

Sida/SAREC Library Support project which funded the e-resources subscriptions from 2003 onwards to all university and research libraries came to an end in June 2010. Access to most of the electronic databases was provided to all universities through this programme, and this will have a severe impact on the services provided by the libraries.

E-resources available

1. Emerald (through Sida/SAREC Library Support project)
2. HW Wilson (through Sida/SAREC Library Support project)
3. JSTOR (renewal fee from lib. vote)
4. Ebsco host (through American Information and Resources Centre)
5. Some modules of Science Direct (through ITI)
6. Nine databases (through INASP)
7. Access to E-books and newspapers (Open source)

Demand for the use of E-resource Centres of the Main, Medical and Science Libraries are increasing with the introduction of training in e-resources to undergraduates. There is a need to increase the number of computers made available for students.

3.5 Details of Research, Innovation and Publications:

The University continued to maintain its dominance in research by enhancing its output in several areas.

The quality of research carried out by the University contributes to its academic standing. The infrastructure facilities, such as instruments, equipment, chemicals, basic utilities etc. are available especially in the science based departments to carry out research. Research and submission of extended essays, project reports, dissertations and theses are requirements for most of the academic programmes at undergraduate and postgraduate levels. A number of link programmes have been established with foreign universities, research institutions and service organizations to undertake collaborative research. Foreign funding is available through processes of competitive application. A large volume of research is being carried out, and this is in fact reflected in the number of publications that are being made. These include publications in peer reviewed journals, local and international journals, abstracts, theses and dissertations, presentations and communications. Further details of these are given under the section on *Academic Performance*

One hundred and thirty six (136) Academic, Academic Support, Technical Staff and students received Presidential Research Awards during the year under review. In addition a number of prestigious awards were won by staff members at national and international levels.

University Annual Research Symposium was held on 12th May, 2010. All the seven faculties of the University held their Research Conferences separately on 13th May, 2010. A number of papers were presented at the Symposium and the Conferences.

Research Forums

The University conducted its Annual Research Symposium on the theme “Knowledge Economy and Higher Education” on the 12th May, 2010. Professor Harshalal R. Seneviratne, the Dean of the Faculty of Medicine functioned as the Chairman of the Organizing Committee.

HE Ashok K. Kantha, High Commissioner of India delivered the keynote address on “Knowledge Economy and Higher Education – Indian Education”.

H.E. Dr. Choi Ki Chul, Ambassador of the Republic of Korea, delivered the inaugural address on “Role of Higher Education” in Korea.

On the 13th of May, 2010, all the seven Faculties had their Research sessions separately. The theme of the Symposium of the Faculty of Arts was “The Challenges and Opportunities in Contemporary Sri Lanka”. Eighteen (18) presentations were made at the symposium. Ten papers were presented at the Faculty of Education Session. Eight papers, eleven papers and four papers were presented at the sessions of the Faculty of Graduate Studies, the Faculty of Law and the Faculty of Management and Finance respectively.

Emeritus Professor Priyani Soysa attended the Faculty of Medicine session as the Chief Guest. Professor Susirith Mendis, Vice-Chancellor of the University of Ruhuna delivered the keynote address. Six papers were presented with a “Plenary” session.

Professor Dulitha Fernando, Senior Professor of Community Medicine and formerly Dean of the Faculty of Medicine, delivered the Faculty of Medicine Oration on the topic “Research for Health”.

Twenty presentations were made at the Faculty of Science sessions. The Faculty of Management and Finance conducted its 5th Annual International Research Conference on 10th December, 2010. This conference created a unique platform for the local researchers to meet with their foreign counterparts to deliberate and debate their research findings.

The Faculty of Arts conducted a symposium on “Languaging in Sri Lanka : Varieties, Policies and Practice” on 8th January, 2010. The symposium was a forum to discuss the major issues and challenges of multilingual/bilingual instruction and teacher training. The broad themes that were addressed included Language Planning, Policy and Sri Lankan English, Multilingualism in Sri Lanka and methods, Policies and practices of Bilingual education. The keynote address was delivered by Professor Joybrato Mukherjee, Chair of English Linguistics and President, Justus Liebig University, Giessen, Germany.

The 7th Annual Summit of the South Asian Economics students meet – an Annual Regional Mini Summit was hosted by the Department of Economics. Undergraduates from South Asian countries took part in this summit.

The Faculty of Medicine jointly with the Asia Pacific Academic Consortium of Public Health organized the International Conference on Global Health.

MoUs were signed with the following:

- 1 Hiroshima University, Japan
- 2 Wako University, Japan
- 3 International University, Japan
- 4 Hebei University, China
- 5 The University of Newcastle, Australia
- 6 The Indian Council for Cultural Relations
- 7 Kathmandu University, Nepal
- 8 Bodo University, Norway
- 9 The Lahore School of Economics, Pakistan
- 10 Yashwantrao Chavan Maharashtra Open University, India
- 11 University of Connecticut, USA
- 12 University of Plymouth, UK
- 13 Nanyang Technical University, Singapore
- 14 Erasmus Mundus Lot 2 Asia Regional Program, European Union

Several delegations from international universities visited the University of Colombo to explore areas of future collaboration with the University of Colombo. Amongst the delegations were those from La Trobe University, Australia, Michigan State University, USA, Plymouth University, UK, Durham University, UK, and Justus Liebig University, Germany. Meetings were also held with all international partners with whom the University of Colombo entered into Memorandums of Understanding.

Erasmus Mundus Lot 2 Asia Regional Program

The University of Colombo was selected as a partner in the Erasmus Mundus Lot 2 Project for which the IUUC developed documentation and participated at the inaugural and selections meetings. The outcome of this initiative was that the University of Colombo was awarded 5 grants under the program – two (2) for UoC staff mobility; two (2) for students registered for MSc at UoC; and one (1) PhD.

Student Exchange Program with La Trobe University, Australia

During 2010, the IUUC facilitated ten placements for UoC students at La Trobe University, Australia for 2011, and selections for the students were made. In return, a program for LTU students to follow a lecture and internship program at the Faculty of Law, UoC was developed by the IUUC in collaboration with the Faculty of Law, UoC.

Justus Liebig University, Giessen

The IUUC facilitated the arrival and affiliation of three (3) undergraduate students from JLU, Giessen, Germany to the Dept. of English, UoC at which they followed courses. Two UoC students returned from JLU during 2010, and three (3) UoC students were selected to follow courses at JLU in 2011.

Establishment of the Centre for Contemporary Indian Studies (CCIS)

The IUUC helped develop documentation and participated at meetings related to the establishment of a Centre for Contemporary Indian Studies at the University of Colombo.

8. MAINTENANCE

During the year 2010 the Maintenance Department consisted of 45 permanent staff members and 06 trainees. Much awaited Electrical Superintendent post has been filled and action was also taken to recruit 2 carpenters for vacant positions.

The re-established maintenance unit at the Faculty of Medicine has undertaken a considerable part of maintenance work with minimum basic facilities. This unit carried out fair amount of maintenance and repair work at the Faculty of Medicine , various Departments, “De Seram” and “Blomfontein” hostels and Allied Health Science -Physiotherapy unit at Borella that helped maintenance of the faculty and the departments free of any trouble and at functional level. This sub unit functions under a full time civil supervisor together with an electrician and two electrical trainees, plumber and two plumbing trainees, carpenter, mason and two labourers.

Human resource strength of the Department (including the sub unit at the Faculty of Medicine) is given in the table below.

Post	Permanent	Trainee	Total
Works Engineers	02		02
Works Superintendents	03		03
Electrical Superintendent	01		01

Total	45	06	51

Department of Maintenance undertook sufficient maintenance, repair, and improvement tasks during this year, and the Department succeeded in saving a considerable amount of money by deploying direct labour attached to the Department. The two painters had to work long hours regularly to meet the set deadlines.

“University of Colombo Vesak Zone 2010” illuminations and decorations was one of the most successful events that the Maintenance Department carried out. This was a classic example of team work .Unbelievably, all employees including officers volunteered to work continuously to keep up the schedule. For the first time in the history of the University we were able to decorate and illuminate 2.3km on either sides of the main road covering Stanley Wijesundara Mawatha, Reid Avenue and Cumarathunga Munidasa Mawatha up to the University boundary within a very short period.

Training and Development

During the year 2010 every possible action was taken to improve the skills and the knowledge of employees attached to the Maintenance Department. A Works Superintendent and a plumber took part at the “Plumbing and Water supply” workshop conducted by the Faculty of Engineering, University of Peradeniya. To improve the knowledge of computer and computer applications all Civil Supervisors were given a training on “MS Excell and MS Access” offered by the Staff Development Centre of University of Colombo and conducted by the Computing Services Centre of UCSC while the clerk underwent an English Proficiency Course (intermediate level) conducted by Staff Development Centre,

University of Colombo. The knowledge they gained from these trainings will increase their level of efficiency and this would in turn benefit the Department.

Retirements and Transfers

During the year 2010 three employees left the Department of Maintenance. **Mr M D Jayaratne** who served as a carpenter retired after 24 years of service. It should be mentioned that his aesthetic artworks and creative decoration skills added extra colour to various functions held at the University. **Mr B P Jayaratne** too retired after 27 years of service at the Department. **Mr B D L Mahilal** who worked as an electrician was released from the University of Colombo to the Open University of Sri Lanka on a promotion as a clerk.

Services from the Trainees

Our trainees extended their fullest cooperation to permanent employees to carry out their services in the most efficient and effective manner which contributed to the smooth functioning of the University and all other relevant departments.

The operating expenses of the University for the year was Rs. 1,082,350,867 compared the Rs.1,037,712,221.00 for the previous year.

Staff cost during the year was Rs. 792,949,182.00 compared the Rs. 775,571,202.00 during the previous year. Staff costs constituted 73% of the operating expenses of the University.

Internally generated funds decreased by 27% compared to the previous year due to income on investments decreased by 19% compared to the previous year while investment increased by 42% during the year. Main reason for this is rate of interest on investment reduced from 18% to 8% during the year 2010.

As a policy student tuition fees are recognized on revenue only on the receipts of fees. Collection of foreign undergraduate student tuition fees is decline by 62% during the year compared to the previous year. Main reason for this is the total amount shown in year 2009 was included collection of outstanding tuition fees relating to year 2007 & 2008.

The funds received for consultancy and projects were utilized temporarily expecting the release of Treasury Funds.

3. Cash and Investments

The university maintains a portfolio of cash and investments. The long term receipts such as Endowments, Scholarships, etc. have been invested in Fixed Deposits and the temporary surpluses of cash are invested in Call Deposits. A sum of Rs. 41.4 M has been received during the year 2010 as interest from investments relating to the cash investments on temporary basis. We have been compelled to maintain a certain amount of cash balance in some of the accounts to meet urgent activities with regard to consultancy projects.

4. Conclusion

In spite of financial constraints, the University was able to achieve the expected targets for the year 2010 mainly because of the high contributions received from Postgraduate Education, Research and Consultancy Services. The University continued to reduce its dependency on treasury funds with regard to operational activities except for salaries, supplies and utilities. This was by promoting the consultancy services and increasing the earning capacity from Postgraduate & Other Extension Courses and thereby generating external income.

Expenditure

Infrastructure and resources, buildings and donations:

The construction of the new canteen building has not yet been started although it was planned to commence the work in early 2010.

The wiring and networking facilities have to be provided to the top floor of the three storied Mathematics/Statistics building.

Reading area for students has been constructed.

Constraints

Inadequate Canteen facilities are one of the major problems that have to be rectified as early as possible. Library facilities have also to be improved.

Examination hall to accommodate up to 750 students is also a necessity.

Vice Chancellor,
University of Colombo

Report of the Auditor General on the Financial Statements of the University of Colombo for the year ended 31 December 2010 in terms of Section 108 (2) of the Universities Act No. 16 of 1978 and Section 13(7)(a) of the Finance Act No. 38 of 1971

The audit of financial statements of the University of Colombo for the year ended 31 December 2010 was carried out under my direction in pursuance of provisions in Article 154 (1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with Sections 108 (1) and (III) of the Universities Act No. 16 of 1978 and sub sections (3), (4) and (7) of Section 13 of the Finance Act No. 38 of 1971. My comments and observations in terms of Section 108 (2) of the Universities Act and Section 13 (7)(a) of the Finance Act No. 38 of 1971 appear in this report.

1:2 Responsibility of the Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Accounting Standards. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error, selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

1:3 Scope of Audit and Basis of Opinion

My responsibility is to express an opinion on these financial statements based on my audit. Audit opinion, comments and findings in this report are based on review of the financial statements presented to audit and substantive tests of samples of transactions. The scope and extent of such review and tests were such as to enable as

wide an audit coverage as possible within the limitations of staff, other resources and time available to me. The audit was carried out in accordance with Sri Lanka Auditing Standards to obtain reasonable assurance as to whether the financial statements are free from material misstatements. The audit includes the examination on a test basis of evidence supporting the amounts and disclosures in financial statements and assessment of accounting principles used and significant estimates made by the management in the preparation of financial statements as well as evaluating their overall presentation. I have obtained sufficient information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit. I therefore believe that my audit provides a reasonable basis for my opinion. Sub-sections (3) and (4) of Section 13 of the Finance Act, No. 38 of 1971 give discretionary powers to the Auditor General to determine the scope and extent of the audit.

2. Financial Statements

2:1 Opinion

So far as appears from my examination and to the best of information and according to the explanations given to me, I am of opinion that the University of Colombo had maintained proper accounting records for the year ended 31 December 2010 and except for the effects on the financial statements of the matters referred to in paragraph 2:2 of this report, the financial statements have been prepared in accordance with Sri Lanka Accounting Standards and give a true and fair view of the state of affairs of the University of Colombo as at 31 December 2010 and the financial results of its operations and cash flows for the year then ended.

2:2 Comments on Financial Statements

2:2:1 Presentation of Financial Statements

The accounting deficiencies aggregating Rs.35,865,369 revealed at audit test checks with regard to the Draft Financial Statements of the University for the year under review were brought to the notice of the Vice Chancellor of the University. Those accounting deficiencies had been rectified and revised financial statements had again been furnished to audit on 12 July 2011. Although the draft annual report should be furnished to audit within 60 days of the closure of the financial year, the draft annual report had been furnished to audit on 2 May 2011 after a delay of 61 days.

2:2:2 Sri Lanka Accounting Standards

The following non compliances were observed.

- (a) The overall surplus of the extension courses of the year under review amounting to Rs.366,023,680 had been transferred to Reserves. Action had not been taken to transfer the surplus of completed courses from the overall surplus, to the Income and Expenditure Account in terms of Section 19 of the Sri Lanka Accounting Standard No. 29.
- (b) The gross income relating to external courses had not been shown in the Income and Expenditure Account as required by Section 33 of the Sri Lanka Accounting Standard No. 29. Instead, a sum of Rs.255,065,984 equivalent to the revenue expenditure of external courses had been shown as income.
- (c) The cost of Rs.133,418,588 incurred on the construction of Saram Ladies Hostel, handed over after completion of the construction work on 22 July 2009 had not been capitalized, as required by Sri Lanka Accounting Standard No. 18. Further, provision for depreciation had not been made for this building which had been made use of, during the year under review.

2:2:3 Accounts Receivable and Payable

- (a) Amount Receivable on behalf of Breach of Agreements

The following observations are made.

- (i) A sum of Rs.46,242,958 remained recoverable from 43 lecturers as at 31 December of the year under review for breach of agreements, as per Section 33 of Chapter 10 of the Establishments Code for the University Grants Commission and Higher Educational Institutions.
- (ii) Documents relating to recovery of Rs.9,382,276 due from 4 lecturers by instituting legal action had been referred to the Attorney General's Department. Cases were pending in Courts with regard to the sum of Rs.1,892,023 due from 7 lecturers.

- (iii) Action had been taken to recover the sum of Rs.7,817,611 due from 24 lecturers from their Provident Fund and Gratuity. Of these, the proposed recovery of balances as aggregating Rs.1,567,605 due from 15 lectures had exceeded 8 years. But adequate amount had not been recovered so far.
- (iv) The entire amount recoverable from a lecturer for breach of agreement amounted to Rs.1,218,641. Of this, a sum of Rs.1,101,730 had been recovered prior to the year under review. No money had been recovered during the year under review.
- (b) A necessary revolving procedure was not in existence to recover the lapsed loan balances aggregating Rs.937,347 by end of the year under review.

2:2:4 Non – Compliance with Laws, Rules, Regulations and Management Decisions

Non compliance with laws, rules, regulations etc., are shown below.

Accordingly, the postgraduate diplomas and postgraduate courses conducted showed an improvement of 127% and 100%. Apart from these, 02 examinations had been conducted for executive diplomas in the Graduate Study Faculty during the year under review, whereas 11 examinations and 12 examinations respectively had been conducted for postgraduate courses. During the previous year, this faculty had conducted 16 postgraduate diploma examinations and 7 postgraduate examinations. Accordingly, the examinations conducted for postgraduate diplomas had dropped by 31% and the examinations conducted for postgraduate degrees had improved by 71%.

3:2:2 Management Inefficiencies

The following observations are made.

- (a) The entire amount received by the Research and Management Unit of the University for the year under review for strengthening the research activities amounted to Rs.361,454,159 and the expenditure of the year amounted to Rs.327,858,544. The following observations are made in this connection.
 - (i) According to Paragraph 2:6:4 of Action Plan for the year under review, the Research and Management Unit had not prepared a plan with

regard to identify priority research fields and to obtain funds for such priority fields.

- (ii) According to 2:6:4 of the Action Plan, the University had not prepared a Consolidated Research Plan for 2009 – 2013.
- (iii) The Staff Development Centre had not taken proper action to train administrative officers to strengthen research activities as per Action Plan 2:6:3:1.

(b) Security Services obtained from Private Firms

The University is divided into 3 security zones and services are obtained from private security firms. The value of services rendered per year amounts to Rs.18,421,185. According to Paragraph 3:8 of the Procurement Guidelines and the Service Assignment letter dated 20 September 2010, both parties had not entered into an agreement before commencement of the security services contract concerned on 1 October 2010.

- (c) Action had not been taken to vest the building valued at Rs.116,864,648 and the premises belonging to the University where the Institute of Biochemistry, Molecular Biology and Biotechnology.

3:2:3 Under Utilization of Funds

Forty seven funds created by the University were not in operation during the year under review. The balances in those funds aggregated Rs.61,367,495. These funds remained dormant for 1 to 5 years. There was a debit balance of Rs.48,146 in one fund as a result of spending in excess of the balance available.

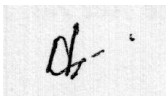

3:2:4 Payments contravening Objectives

A sum of Rs.700,000 had been transferred during the year under review to the Vice Chancellor's Fund – 1 which had not been established in accordance with the provisions in the Universities Act, contravening the objectives and functions of University Development Fund established under Section 99(1) of the Universities Act No. 16 of 1978.

4. Systems and Controls

Deficiencies in systems and controls observed during the course of audit were brought to the notice of the Vice Chancellor of the University from time to time. Special attention is needed in respect of the following areas of control.

- (a) Contractual Administration
- (b) Accounting
- (c) Settlement of Advances

Reply for the Report of the Auditor General on the Financial Statements of the University of Colombo for the year ended 31 December 2010
in terms of Section 108(2) of the Universities Act, No. 16 of 1978 and Section 13(7)(a) of the Finance Act, No. 38 of 1971

2.:2 Comments on Financial Statements

2:2:1 Presentation of Financial Statements	
<p>The accounting deficiencies aggregating Rs. 35,865,369 revealed at audit test checks with regard to the Draft Financial Statements of the University for the year under review were brought to the notice of the Vice Chancellor of the University. Those accounting deficiencies had been rectified and revised financial statements had again been furnished to audit on 12 July 2011. Although the draft annual report should be furnished to audit within 60 days of the closure of the financial year, the draft annual report had been furnished to audit on 2 May 2011 after a delay of 61 days.</p>	<p>The main reason for the delay in furnishing the Annual Report was the instructions given by the Ministry of Higher Education to change the format of the Annual Report. As such, the time shown in the Audit Report was spent to prepare and present the Annual Report according to the new format. Action will be taken to present the draft annual report for the year 2011 within 60 days from the end of the year.</p>

2:2:2 Sri Lanka Accounting Standards	
(a) The overall surplus of the extension courses of the year under review amounting to Rs.366,023,680 had been transferred to Reserves. Action had not been taken to transfer the surplus of completed courses from the overall surplus, to the Income and Expenditure Account in terms of Section 19 of the Sri Lanka Accounting Standard No. 29.	Action has been taken to transfer the income and expenditure of inactive study programs, after comparing those estimates in year 2011.
(b) The gross income relating to external courses had not been shown in the Income and Expenditure Account as required by Section 33 of the Sri Lanka Accounting Standard No. 29. Instead, a sum of Rs. 255,065,984 equivalent to the revenue expenditure of external courses had been shown as income.	Please note that action cannot be taken as per paragraph 33 of Accounting Standards, since Section 19 of the Sri Lanka Accounting Standard No. 29 is adhered to, as stated in paragraph (a) above.
(c) The cost of Rs. 133,418,588 incurred on the construction of Saram Ladies Hostel, handed over after completion of the construction work on 22 July 2009 had not been capitalized, as required by Sri Lanka Accounting Standard No. 18. Further, provision for depreciation had not been made for this building which had been made use of, during the year under review.	De Saram Hostel was not asset capitalized as the last installment of the payment for the construction of same was done in year 2011, and action is being taken to capitalize it and allocate for necessary provisions of depreciation. However, non provision for depreciation has not affected the surplus over expenditure of the year. Even though this hostel was built for 215 hostellers, I wish to note that there are 320 female students using it at present. I also note with pleasure that first year students who were selected to this university from different areas of the country use this hostel and do their studies well.
2:2:3 Accounts Receivable and Payable	
(a) Amount Receivable on behalf of Breach of Agreements	
The following observations are made.	
(i) A sum of Rs. 46,242,958 remained recoverable from 43 lecturers as at 31 December of the year under review for breach of agreements, as per Section 33 of Chapter 10 of the Establishments Code for the University Grants Commission and Higher Educational Institutions.	The total amount recoverable from 43 lecturers for breach of agreements as at 31/12/2010 is Rs. 46,242,958.00 and from them, 6 lecturers have settled their Bond Agreements amounting to Rs. 5,361,905.00 in full by 30/11/2011. Action has been taken to deal with other lecturers as well.

(ii) Documents relating to recovery of Rs. 9,382,276 due from 4 lecturers by instituting legal action had been referred to the Attorney General's Department. Cases were pending in Courts with regard to the sum of Rs. 1,892,023 due from 7 lecturers.	Documents relating to recovery of Rs. 9,382,275.60 due from 4 lecturers were referred to the Attorney-General's Department to institute legal action. Cases are pending in Courts with regard to money recoverable from 7 lecturers and Mr. A.V. Cooray, who is one of them, has agreed to settle a sum of Rs. 1,500,000.00 in 24 installments out of the agreed amount of Rs. 3,297,353.00.										
(iii) Action had been taken to recover the sum of Rs. 7,817,611 due from 24 lecturers from their Provident Fund and Gratuity. Of these, the proposed recovery of balances as aggregating Rs.1,567,605 due from 15 lectures had exceeded 8 years. But adequate amount had not been recovered so far.	The amount proposed to be recovered from the Provident Fund and Gratuity of 24 lecturers as at 31/12/2010 as part of their Bond commitments is Rs. 7,817,611.94 and the amount recovered after 31/12/2011 on behalf of 10 lecturers is Rs. 4,130,069.79. As such, a sum of Rs. 3,687,542.15 has to be recovered from 14 lecturers. Accordingly, action is being taken to deal with all those violations of bond agreements.										
(iv) The entire amount recoverable from a lecturer for breach of agreement amounted to Rs. 1,218,641. Of this, a sum of Rs. 1,101,730 had been recovered prior to the year under review. No money had been recovered during the year under review.	<p>The amounts were recovered from the lecturer concerned in the following manner:</p> <table border="1" data-bbox="1093 803 1808 1050"> <tr> <td>amount recovered up to 31/12/2010</td><td>1,101,730.00</td></tr> <tr> <td>received on 18/08/2011</td><td>50,000.00</td></tr> <tr> <td>received on 07/09/2011</td><td>50,000.00</td></tr> <tr> <td>total sum of money recovered</td><td>1,218,641.00</td></tr> <tr> <td>total sum of money to be recovered</td><td>16,911.00</td></tr> </table>	amount recovered up to 31/12/2010	1,101,730.00	received on 18/08/2011	50,000.00	received on 07/09/2011	50,000.00	total sum of money recovered	1,218,641.00	total sum of money to be recovered	16,911.00

received on 18/08/2011	50,000.00										
received on 07/09/2011	50,000.00										
total sum of money recovered	1,218,641.00										
total sum of money to be recovered	16,911.00										
(b) A necessary revolving procedure was not in existence to recover the lapsed loan balances aggregating Rs. 937,347 by end of the year under review.	Rs. 64,129.00 out of Rs. 957,347.00 being the lapsed loan balance is being recovered from the salary from year 2011. Furthermore, a sum of Rs. 298,475.00 was settled during the year 2011. On the recommendations of the Parliamentary Sub Committee No. 13, a sum of Rs. 49,246.00 was written off in the year 2011.										

2:2:4 Non-compliance with Laws, Rules, Regulations and Management Decisions		
Non compliance with laws, rules, regulations etc., are shown below.		
Reference to Laws, Rules, Regulations etc.	Non-compliance	
(a) E.P.F. Act No. 15 of 1958 and the letter of the Director General of National Budget addressed to the Chairman of the University Grants Commission dated 18 July 2003	It has been pointed out that the academic allowances should not be taken into consideration for computation of the Universities Provident Fund, Employees' Trust Fund and gratuity payments of the Academic Staff. However, those allowances had been taken into consideration for the academic staff recruited before 1 July 2005.	These payments have been done in accordance with the University Grants Commission Circular.
(b) Section 99 (1) of the Universities Act No. 16 of 1978	All income generated and all funds including donations should be credited to the University Fund. However, the University maintained 156 funds. The balances of those funds as at end of the year under review amounted to Rs.458,065,642.	The money received by the University are credited to the University Fund as per Section 99 (I) of the Universities Act No. 16 of 1978. As these funds are considered as ledger accounts, I wish to note that the Section 99(i) of the Universities Act has not been violated.
(c) Treasury Circular No. IAI/2002/2 dated 28 November 2002	A special register of assets for computers, computer accessories and software had not been maintained.	Maintaining the fixed assets register specific for computer accessories and software according to the Treasury Circular was not possible due to various reasons, and a fixed assets register for capital assets is prepared in compliance with the circular as far as possible.
(d) Section 5:2 of Chapter V of the Establishments Code for University Grants Commission and Higher Educational Institutions and Public Administration Circular No. 09/2007 (i) dated 24 August 2007	A person, other than the person holding the post of Professor, should not be employed in service after completion of 60 years of age. However, 3 officers had been employed on contract basis. The remuneration paid to those officers up to end of the year under review aggregated Rs. 2,848,224.	There are two officers who are employed on assignment basis according to the requirements of the University.
(e) Public Administration Circulars Nos. 29/98, 29/98(i), 07/2007, 7/2007(i), 02/2009 and Public Enterprises Circular No. 95 of 14 June 1994	Language proficiency allowances had been paid by the University to employees recruited before 1 January 2003, deviating from the provisions in the circular.	Payments have been made as per the University Grants Commission Circulars.

(f) F.R. 371 and the letter of the Vice Chancellor No. B/AC/BK/A dated 12 November 2010	All petty cash advances of the University should be settled as at 31 December 2010. However, during the year under review a balance of Rs.46,952 remained unsettled.	Action is being taken to rectify these shortcomings.
(g) F.R. 371 (2)	The University building, Research and Management Units and Sripali Hall had obtained advances totalling Rs.939,626 for various purposes. Settlement of these advances had been delayed for 1 to 20 years.	Advances amounting to Rs. 685,489 out of this sum have been settled as at 30/11/2011 and action is being taken to settle the balance advances as well, before 31/12/2011.

3. Financial and Operating Review

3:1 Financial Review

3:1:1 Financial Results	
According to the financial statements presented, the activities of the University for the year ended 31 December 2010 had resulted in a deficit of Rs. 1,021,132,199 before taking into account the government contributions for recurrent expenditure as compared with the previous year's deficit of Rs. 920,323,868. Accordingly, the deficit for the year under review had increased by Rs. 100,808,331. As a result of the government contributions of Rs. 1,078,295,988 for the year under review, the surplus of the year had become Rs. 57,163,789. As a result of the government contributions of Rs. 1,044,350,808 for the previous year, the surplus of that year had become Rs. 124,026,940.	Agreed
3:2 Operating Review	
3:2:1 Performance	
The following observations are made.	

(a) The number of applicants recruited for degree courses in 2010 was 2,289 and it was 2,433 in 2009. The number of applicants recruited for degree courses for each faculty is shown below.

During the previous year, this faculty had conducted 16 postgraduate diploma examinations and 7 postgraduate examinations. Accordingly, the examinations conducted for postgraduate diplomas had dropped by 31% and the examinations conducted for postgraduate degrees had improved by 71%.</p>	Agreed.
3:2:2 Management Inefficiencies	
The following observations are made.	
(a) The entire amount received by the Research and Management Unit of the University for the year under review for strengthening the research activities amounted to Rs.361,454,159 and the expenditure of the year amounted to Rs.327,858,544. The following observations are made in this connection.	
(i) According to Paragraph 2:6:4 of Action Plan for the year under review, the Research and Management Unit had not prepared a plan with regard to identify priority research fields and to obtain funds for such priority fields.	Researchers connected to specific research areas have obtained funds for research relevant to their research areas concerned; by writing to donor agencies about the research to be carried out and obtaining the approval for such research. Also, the research relevant to each and every discipline of study is decided upon by the relevant Faculty and

	<p>according to the lecturer concerned. The release of grants is done in several phases and in accordance with the progress of research; while looking after the accounting aspects of these have become the main activity of the Research Management Unit.</p>
<p>(ii) According to 2:6:4 of the Action Plan, the University had not prepared a Consolidated Research Plan for 2009 – 2013.</p>	<p>Advice was given to rectify the Action Plan for Research Grants. Research will be analyzed in detail in the Action Plan. Consolidated Research Plans of Universities depend on the specific topics of research by the academic staff. Therefore, the Consolidated Research Plan could vary during the year.</p>
<p>(iii) The Staff Development Centre had not taken proper action to train administrative officers to strengthen research activities as per Action Plan 2:6:3:1.</p>	<p>Action is taken to commence the relevant training activities in the year 2011 as shown. However, appropriate strategies are put in place to identify research areas and to encourage the relevant researchers within the University.</p>
<p>(b) Security Services obtained from Private Firms</p> <p>The University is divided into 3 security zones and services are obtained from private security firms. The value of services rendered per year amounts to Rs. 18,421,185. According to Paragraph 3:8 of the Procurement Guidelines and the Service Assignment letter dated 20 September 2010, both parties had not entered into an agreement before commencement of the security services contract concerned on 1 October 2010.</p>	<p>By now, action has been taken to get the relevant service agreements signed at the commencement of the contract. Please note that, this lapse has occurred as the activities with regard to the procurement of security services were over at the time of the release of the relevant Guidelines.</p>
<p>(c) Action had not been taken to vest the building valued at Rs.116,864,648 and the premises belonging to the University where the Institute of Biochemistry, Molecular Biology and Biotechnology.</p>	<p>As the premises where the Institute of Biochemistry, Molecular Biology and Biotechnology is located in the University of Colombo premises, which is valued at Rs. 116,864,648.00, and belongs to the University of Colombo; it is impossible to vest only that building to the said Institute. Apart from that another building belonging to the University is located in the same premises.</p>

3:2:3 Under Utilization of Funds	
Forty seven funds created by the University were not in operation during the year under review. The balances in those funds aggregated Rs. 61,367,495. These funds remained dormant for 1 to 5 years. There was a debit balance of Rs. 48,146 in one fund as a result of spending in excess of the balance available.	These 47 funds in the university were created to fulfill specific objectives and action would be taken to make optimum utilization of these funds in order to attain these objectives.
3:2:4 Payments contravening Objectives	
A sum of Rs. 700,000 had been transferred during the year under review to the Vice Chancellor's Fund – 1 which had not been established in accordance with the provisions in the Universities Act, contravening the objectives and functions of University Development Fund established under Section 99(1) of the Universities Act No. 16 of 1978.	The Vice-Chancellor's Fund is a fund established for the welfare of the employees and the students. This type of a fund is operative in every university in order to contribute to incidental welfare needs of its staff and students. A sum of Rs. 700,000.00 being the interest earned from the University Development Fund was transferred to this fund. However, action would be taken to change the objectives and functions of the University of Colombo Development Fund in terms of periodical needs.

4. Systems and controls

Deficiencies in systems and controls observed during the course of audit were brought to the notice of the Vice Chancellor of the University from time to time. Special attention is needed in respect of the following areas of control. (a) Contractual Administration (b) Accounting (c) Settlement of Advances	The officers concerned were advised to look into this further in future.
